Honorable Douglas P. Woodlock,
United States District Judge
United States District Court
One Courthouse Way
Boston, MA 02210

Re: Arroyo v. Brady, No. 05-11277-DPW

Dear Judge Woodlock:

As your Honor is aware, I am counsel for the
Petitioner, Ezequiel Arroyo.

With the gracious consent of the Assistant Attorney
General handling this case, Susanne Reardon, I respectfully
request an additional week, through and including September 9,
2005, to file Petitioner's Reply to Respondent's Memorandum of
Law Opposing the Petition. Respondent's 28-page Memorandum was
received on or about August 2, 2005. Substantial research and
work has been done, but additional time is necessary to prepare
a reply, including because of the complexity of several of the
issues raised by Respondent's opposition. No further requests
for extension will be made.

Thank you for your consideration of this matter.

Sincerely,

Donald A. Harwood
